27<sup>th</sup> annual  
**RARES SPRING VENDOR FAIR**

**The Regional Area Recreation and  
Employee Services Association**

1983 – 2010

Celebrating 27 years of service to the HR and business  
communities of upstate New York

**To be eligible for a door prize:**

Visit ALL the vendors between 3 and 5 p.m. **Obtain a vendor's initials next to their name on the reverse of this program.** If initials are already in place, then that's an unattended table that the vendor would like you to visit – no initials required. Take your completed program to the **Registration Table** and exchange it for a n entry ticket. Write your name and company name on your ticket, then drop the ticket into the entry vessel at the prize tables. Immediately after the event closes at 5, we'll begin drawing names for the door prizes.. *You must be present to win.* **There will be one prize awarded per attendee.** The first person selected will have the prize of his or her choice. The next person will be able to select from the remaining 100+ prizes and we'll continue until all of the prizes have been claimed.

Increase your chance of winning! Use the enclosed packet of money you were given at the registration table to play at one of The Dealers tables (for fun of course). Cash out your winnings at The Dealers and receive a separate entry into a restaurant gift certificate from The Dealers.
